# The Circumcision Clinic™

**The Circumcision Clinic™**

## **SAFE, COSMETICALLY APPROPRIATE, NEWBORN AND BABY CIRCUMCISION**

- The Circumcision Clinic™ coordinates care by a team of specialist doctors.
- We have a commitment to providing **rapid access** to the highest quality newborn/baby circumcision.
- [www.TheCircumcisionClinic.ca](http://www.TheCircumcisionClinic.ca) allows families to easily **book their own appointments** (no referral needed).
- A **doctor is available** during the healing **in person, by phone, text, email, or EMR portal** within **24hrs**.
- The technique uses a **long-acting local anesthetic** injection, **minimizing pain and discomfort** resulting in **the best cosmetic and medical outcomes**.
- A **baby/family-centred** approach that **respects dignity, privacy and comfort** - including **private rooms for feeding and changing**.
